SWSA is a nonprofit organization that consists entirely of volunteers and relies solely on sponsorships, donations, and fundraising. Being a sponsor isn't just about financially supporting our program; it is a commitment to helping us build a strong girls' softball program focused on empowerment and designed to develop each player's mental and physical softball skills in a competitive, fun environment. Every tournament the girls participate in is another opportunity for your business to be recognized as a community leader with the Green Bay Southwest High School softball futures program. Questions?
